#### Collegiate Academy Award Recipients

Almost 60 undergraduate presentations were made at the 2014 Collegiate Academy competition held at Northeastern State University - Broken Arrow Campus. [Click here to see the award recipients.](#)

#### 2015 OAS Officers & Council Members

Contact information for the OAS officers and all other members of the 2015 OAS Executive Council, including section chairs and vice-chairs, has been posted on the web page. [Click here to view names and contact information.](#) New vice-chairs for each section are elected during the their respective section meetings at the technical meeting in November and the existing vice-chair moves to section chair for the next year,

following the outgoing section chair. You may consider giving back by serving as a section vice-chair next year. [Click here to learn more about those responsibilities.](#)

### ***Proceedings of the Oklahoma Academy of Science***

Please consider submitting your research to the *Proceedings of the Oklahoma Academy of Science*, the official publication of the OAS. *POAS* is a multi-disciplinary journal with the aim of publishing manuscripts of interest to the broader scientific community in the State of Oklahoma and beyond. The journal is in the process of digitalizing its content to enhance the visibility of published manuscripts. The 2014 volume was recently mailed to all 2014 OAS members. Instructions for authors and deadlines for submission for the 2015 volume may be found at <http://oas.uco.edu/EdPol&Pro.html>. Feel free to contact Dr. Mostafa Elshahed ([Mostafa@Okstate.edu](mailto:Mostafa@Okstate.edu)) with your questions and inquiries.

### **2015 Meeting of the American Association for the Advancement of Science**

### **Consider Leaving a Portion of Your Estate to the Academy**

Have you thought about how you will be remembered by future generations? Please consider leaving something from your estate to the Academy. Both OAS and OJAS have benefited greatly from generous individuals, such as Mr. Jimmie Pigg, Dr. Larry Magrath, Dr. Paul Buck, and Dr. Kathleen Donovan, who left portions of their estate to our academies. These contributions have come in the form of cash, insurance policies, royalties, memorial donations, etc. Donations of these kinds are placed into accounts where the principle is never spent; only the interest is used and it mostly goes to support student awards. These gifts make a difference in the lives of many young scientists. Contact Dr. David Bass ([dbass@uco.edu](mailto:dbass@uco.edu)) for additional information.

### **OAS Facebook Fan Page**

The OAS Council hopes many people who use Facebook will be interested in joining the Facebook Fan Page for OAS [Click here to join.](#)
