### ***Proceedings of the Oklahoma Academy of Science***

Please consider submitting your research to the *Proceedings of the Oklahoma Academy of Science*, the official publication of the OAS. *POAS* is a multi-disciplinary journal with the aim of publishing manuscripts of interest to the broader scientific community in the State of Oklahoma and beyond. The journal is in the process of digitalizing its content to enhance the visibility of published manuscripts. The 2015 volume should be mailed very soon to all 2015 OAS members. Instructions for authors and deadlines for submission for the 2016 volume may be found at <http://oklahomaacademyofscience.org/EdPol&Pro.html>. Feel free to contact Dr. Mostafa Elshahed ([Mostafa@Okstate.edu](mailto:Mostafa@Okstate.edu)) with your questions and inquiries.

### **Consider Leaving a Portion of Your Estate to the Academy**

Have you thought about how you will be remembered by future generations? Please consider leaving something from your estate to the Academy. Both OAS and OJAS have benefited greatly from generous individuals, such as Mr. Jimmie Pigg, Dr. Larry Magrath, Dr. Paul Buck, and Dr. Kathleen Donovan, who left portions of their estate to our academies. These contributions have come in the form of cash, insurance policies, royalties, memorial donations, etc. Donations of these kinds are placed into accounts where the principle is never spent; only the interest is used and it mostly goes to support student awards. These gifts make a difference in the lives of many young scientists. Contact Dr. David Bass ([dbass@uco.edu](mailto:dbass@uco.edu)) for additional information.
